US 41 Project lane closures for July 1– July 5

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for July 1 – July 5 in Brown and Winnebago counties and I-43/Leo Frigo Bridge. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone.

In an effort to ease travel-related congestion during the 4th of July holiday, US 41 Project construction and I-43 bridge work will stop at noon on July 3 and resume in the morning of Monday, July 8.

I-43/Leo Frigo Bridge

I-43 northbound from University Avenue to Webster Avenue

- Lane closure from 6 a.m., Monday, July 1 to noon, Wednesday, July 3
- Two lanes open from noon, Wednesday, July 3 to 5 a.m., Monday, July 8

I-43 northbound on-ramp from Webster Avenue

- Ramp open Friday, June 28 to Monday, July 8, then closed from July 8 to late-July

I-43 southbound from US 41 to Webster Avenue

- Lane closure from 6 a.m., Monday, July 1 to noon, Wednesday, July 3
- Two lanes open noon, Wednesday, July 3 to 5 a.m., Monday, July 8
- Weekday lane closure from Monday, July 8 to late-July.

I-43 southbound on-ramp from Atkinson Drive

- Ramp closed until noon, Wednesday, July 3
- Ramp open from noon, Wednesday, July 3 to 5 a.m., Monday, July 8
- Ramp closed from 5 a.m., Monday, July 8 to late-July

I-43 northbound from University Avenue to Military Avenue

- Weekday lane closure from Monday, July 8 to late-July

Winnebago County

US 41

Drivers will encounter 11-foot travel lanes, reduced shoulders, and a reduced speed limit to 55 mph from US 45 to Witzel Avenue. Northbound and southbound US 41 between 9th Avenue and Snell road will have overnight single lane closures on Monday, July 1 and Tuesday, July 2 from 7 p.m. to 5 a.m.

Brown County

US 41

Drivers should anticipate various, overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or natural disasters.

In addition, drivers can anticipate the following ramp closures:

- **Tuesday, July 2** - Southbound US 41 off-ramp to Scheuring Road will be closed from 9 p.m. to 5 a.m. In addition, the southbound US 41 off-ramp to WIS 29 will be closed from 9 p.m. to 6 a.m.

WIS 54

Drivers can expect various single lane closures on eastbound and westbound WIS 54/Mason Street between Taylor Street and Hinkle Street on Monday, July 1 from 6 p.m. to 6 a.m.

WIS 29 Tub girders

Over the next few weeks, steel tub girders will be lift and set to construct the WIS 29/US 41 interchange flyover ramps. Drivers can expect various full overnight closures of US 41, WIS 29 and/or nearby ramps during these lifts. WisDOT will send a road closure alert and suggested detour

to media, www.US41Wisconsin.gov, and social media a day prior to the expected girder lift. Tub girder lifts are weather dependent and subject to change. If you have any questions regarding the steel tub girder lifts, please contact US 41 Communication Manager Mark Kantola at 920-492-4153 or email at mark.kantola@dot.wi.gov.

All lane restrictions and work operations are weather dependent and subject to change.
